PROFESSIONAL SUMMARY

BCA graduate with hands-on experience in Python programming and practical software development projects. Familiar with Python, SQL, PostgreSQL, basic Django, Git/GitHub, React Native, and web technologies. Built projects involving computer vision, automation, and frontend/mobile development. Interested in backend and mobile application development and seeking an internship to apply programming and problem-solving skills while gaining experience with production software.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, TypeScript (Basic), Java (Basic), C (Basic), C++ (Basic), SQL

Backend & Database: Django (Basic), PostgreSQL (Basic), REST API Fundamentals

Libraries & Frameworks: OpenCV, MediaPipe, PyAutoGUI, React Native, Expo, React (Basic)

Web Development: HTML, CSS, JavaScript

Tools & Platforms: Git, GitHub, VS Code, Linux

Computer Science: Object-Oriented Programming, Basic Data Structures & Algorithms, Problem Solving

PROJECTS

Hand Gesture PC Controller

Python · OpenCV · MediaPipe · PyAutoGUI

- Developed a computer-vision application for controlling PC interactions using hand gestures.
- Implemented real-time hand landmark detection using MediaPipe.
- Used OpenCV for camera input and image processing.
- Implemented gesture-based mouse control and interaction logic.
- Worked on reducing cursor jitter and improving control responsiveness.

Task / Todo List Mobile App

React Native · Expo · JavaScript

- Developed a mobile task-management application using React Native and Expo.
- Implemented task creation and task completion functionality.
- Added interactive functionality for marking tasks as completed.
- Built a simple interface for managing daily tasks.

Personal Portfolio Website

HTML · CSS · JavaScript · Git · GitHub Pages

- Designed and developed a personal portfolio website to showcase projects and technical skills.
- Built responsive web pages using HTML, CSS, and JavaScript.
- Used Git and GitHub for version control.
- Deployed the website using GitHub Pages.

EDUCATION

Bachelor of Computer Applications (BCA)

Jai Narain Vyas University, Jodhpur | 2026 | CGPA: 6.98/10

Relevant Coursework: Python Programming, Database Management Systems, Operating Systems, Computer Networks, Data Science, Cyber Security, Internet of Things

CORE STRENGTHS

Python Programming · Problem Solving · Debugging & Troubleshooting · Logical Thinking · Quick Learning · Team Collaboration
